RE: Friends of Sherrod Brown ID#C00264697

Dear Mr. Hume,

This is in reference to your letter of November 17, 1998.

Due to administrative error a contribution to the Democratic Congressional Campaign Committee was reported incorrectly. In fact, the Friends of Sherrod Brown made a contribution to the DCCC in the amount of \$20,000, and donated \$5,000 from excess campaign funds. This was indicated to the Democratic Congressional Campaign Committee at the time of the contribution.

Attached please find an amendment that shows the correction.

If you have any questions, please don't hesitate to call me at 440-365-5580.

Sincerely,

Elizabeth Betounes
